March 5th, 2022 | 9am - 4pm
Register Today!

Join us for an interactive, engaging day of neuroscience fun featuring a keynote lecture, panel discussions, demonstrations and activities for high school students.

Students will have opportunities to network with UCI neuroscience faculty and students throughout the day to learn more about pathway to neuroscience and careers in neuroscience.

Featuring Keynote Speaker
Dr. Liz Chrastil
Director, UCI Spatial Neuroscience Lab
CNLM Fellow
