

# UC Irvine and Jefferson Elementary School partner to celebrate the brain during Virtual Brain Awareness Week!

Your child is invited to join UCI scientists and professors on  
March 13 and 14 for two special events!

This program is made possible  
by the Dana Foundation

## Saturday, March 13

### Brain Scientist for a Day

From the comfort of their own homes,  
students will virtually meet UCI scientists  
and engage in live video activities including  
science demonstrations and brain dissections!

**3rd grade: 9am - 10:30am**

**4th grade: 10:45 am - 12:15pm**

**5th grade: 1pm - 2:30pm**

## Sunday, March 14

### UCI Lab Tours

Students will virtually meet UCI scientists and  
get an inside look into their research labs.

**1pm - 2pm**

### Read Aloud and Meet the Author/ Scientist

Students will virtually read along with  
neuroscientist and author Dr. Theanne Griffith  
and ask her questions about her life as a  
scientist and author!

**2pm - 3pm**

Each child will receive a scientist toolkit before the event as a gift from UC Irvine!

Please register for the event here: [cnlm.uci.edu/jefferson](https://cnlm.uci.edu/jefferson)
